

## Arbitration

Recognised arbitration experts  
in Central and Eastern Europe

Competent in national and international arbitration law  
Experienced in complex arbitration matters

**Regional coverage and industry knowledge** - The Wolf Theiss Regional Arbitration Team consists of experts across our 13 offices in Central, Eastern and South-Eastern Europe. Team members act as counsel and arbitrators in domestic and international arbitration proceedings. Additionally, several team members have specialized expertise in certain sectors such as energy, construction and plant engineering. This gives us the advantage of providing clients with seamless service and the necessary specialized industry and jurisdictional expertise to meet their business needs.

**Network** - Wolf Theiss has decades of experience in arbitration and has developed a wide network of contacts both in the international arbitration world and in local arbitration communities. We can thus offer an inside perspective on the various legal systems in major arbitration centers across the world and in the 13 jurisdictions of our Wolf Theiss Offices. In addition, members of the team have been intensively involved in various international organizations dedicated to arbitration, such as the International Bar Association (IBA), the International Chamber of Commerce (ICC), the Vienna International Arbitral Centre (VIAC), and so on. Our contacts are your added value.

**‘Praised for being ‘unrivalled in terms of capabilities in Austria and CEE’, Wolf Theiss acts for clients in post-M&A, telecoms and construction disputes, as well as investment arbitration proceedings, with notable expertise in the energy, construction, infrastructure and telecoms sectors.’**

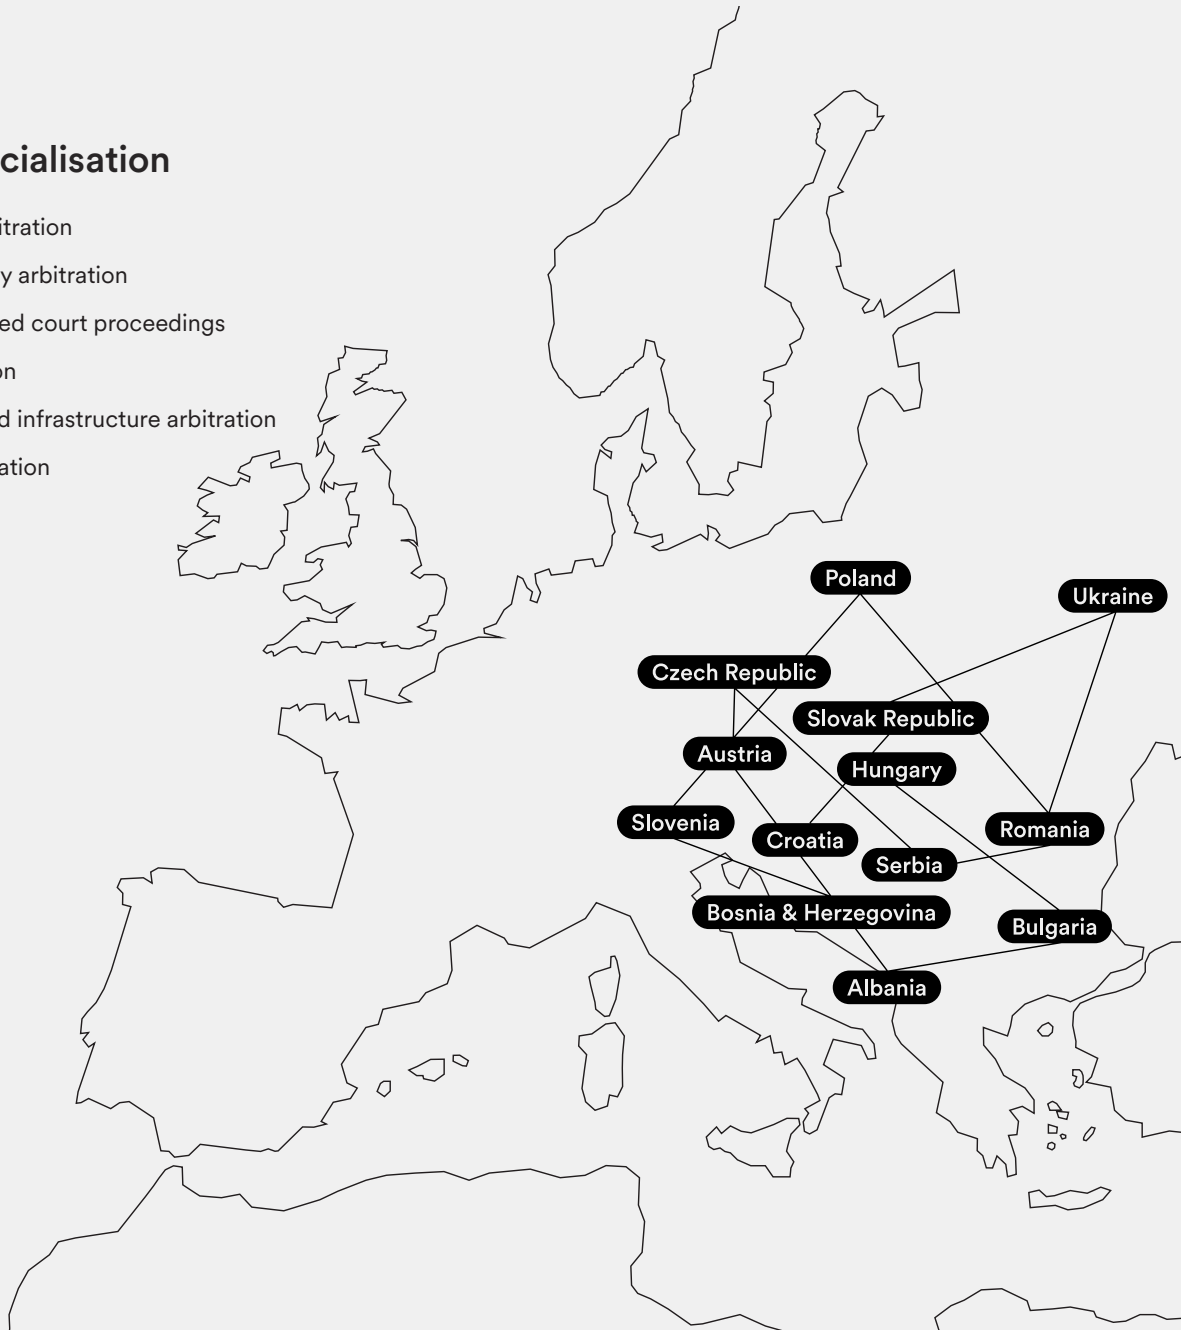

– Legal 500

**Arbitration experience** - Wolf Theiss’ experience in both commercial and investment arbitration is unique in the CEE/SEE region. Our firm-wide arbitration team is the largest in the region and regularly provides advice to clients in arbitration proceedings and arbitration-related court proceedings. We have experience in acting under major arbitration rules, such as ICSID, UNCITRAL, ICC, LCIA, Vienna Rules (VIAC), DIS and Swiss Rules, as well as in ad-hoc arbitration proceedings. Furthermore, our experts have substantial experience with local arbitration institutions.
